

July 22, 2002

To Whom it may Concern,

I can not overstate the effect Sports Kidz has had on my son. It gave him confidence that extended far beyond sports. Sports Kidz emphasizes respect, sportsmanship and, above all, fun. Coach Akeim and coach Phil truly understand children, and my only regret is that Akeim Kelly doesn't run a school. If he did, we would be first in line.

Sincerely,

Claudia Parducci and Peter Alexander
Sports Kidz parents
