Dear Coach Akiem,

My son, Kieran, has been part of the 11am Sports Kidz at Valley Village Park on Sundays for some time now. His twin sister, Julia, would like to join Sports Kidz, too. I would like them to be in separate classes so they each can experience it on their own. The current session at 10am on Sundays at Valley Village is full. I am hoping that early enrollment will ensure her a spot for the next session. I know that the next start date is undetermined as yet.

I have enclosed payment for Julia for the next session at 10am on Sundays at Valley Village (less \$25 sibling discount) as well as payment for the next session for Kieran at 11am on Sundays at Valley Village.

I will wait to hear from you as to the start dates for each new session as well as whether there is space for Julia in the 10am class. My oldest son, Joshua, loved his time spent at Sports Kidz as Kieran does now and I am thrilled that Julia wants to have the Sports Kidz experience, too.

Sincerely,

Brenda Magnes
